# Welcome to Rowland Hill Nursery School and Children's Centre

We come into nursery through  
the big red door.

This is our library.  
On Thursday mornings we  
change our reading books here.

# When you start your day, you can hang your coat up on your peg.

# When you choose at nursery

You can  
stay  
inside

Or go  
outside!

When you are inside, you can choose to

Play in the kitchen and make some tea.

You can explore the construction area

and build something with the blocks!

You could build a train track or a bridge!

You could read a book,

and share a story with a friend.

# You can learn about numbers and do lots of counting!

You can choose to play with water.

Don't forget your apron to keep you dry!

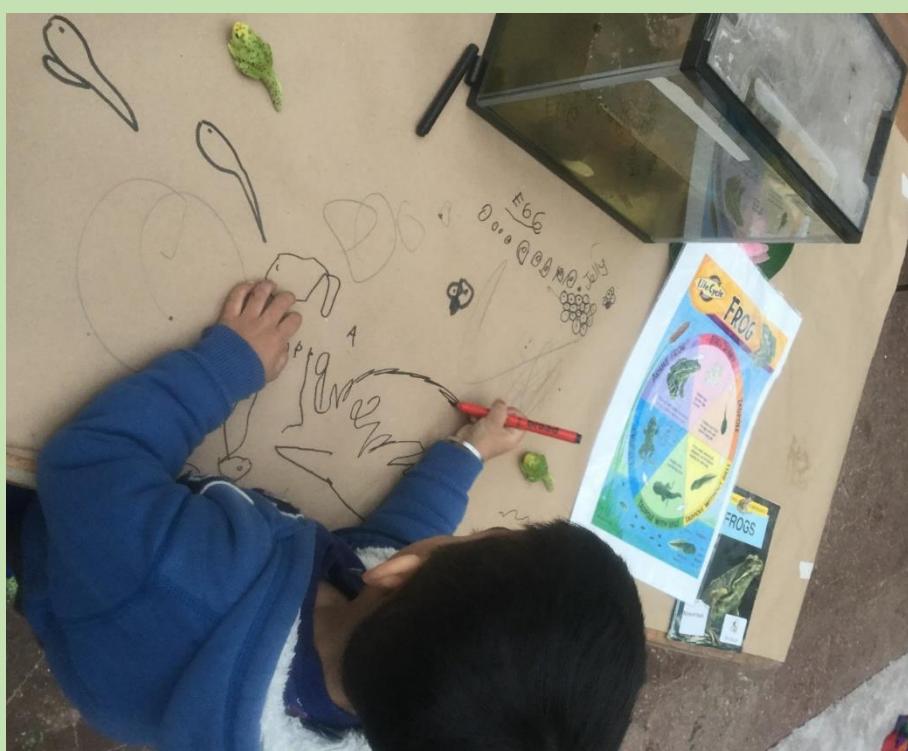

You can make music with the instruments

Or dance  
with your  
friends!

# You can be a scientist!

There are lots of paints and different ways to make a picture.

Sometimes we make art that can move!

You can cook something in the kitchen.

You get a snack and a drink from the snack table.

At our woodwork station you can learn how to use real tools.

You can make a model.

You can practise using a hammer!

If you choose to go outside, you can...

Go on the climbing frame

Swing or  
balance on  
the A-  
Frames.

# You can get messy in the mud ditch!

Don't  
forget  
your  
wellies!

We have big blocks and loose parts. You can build anything you like!

A set of  
Stairs

A car

You can visit the Mud Kitchen,

and explore the wonderful  
plants in the garden.

There are tunnels to go through

and a huge sand pit to play in!

You could  
pretend to  
light a  
camp fire

Or help  
plant and  
harvest  
fruit and  
vegetables

During the day, we join our key person for Talking Time.

We talk, sing, listen to stories  
and play games!

# Some children stay for lunch!

When it is time to go, mummies,  
daddies and other grown-ups  
come to pick children up!
